1. (Confidential - GLC) [REDACTED] called to say we have been advised by the Drug Enforcement Agency of a call from [REDACTED] concerning a Jack Anderson article that appeared last September which mentioned [REDACTED]. The purpose of [REDACTED] call to DEA appeared to be to inform them that he was the case officer for [REDACTED] when he was with the Agency. [REDACTED] is sending us a copy of a memo on this.

2. (Confidential - GLC) Called Jack Ticer, Senate Armed Services Committee staff, and advised him that our check with DOD indicates that they are carrying Chuck McFadden, of the Committee staff, on an active Top Secret clearance. I told Ticer we are now processing special clearances for McFadden and will be in touch with McFadden after the first of the year to arrange Agency organization and other background briefings for him.

Ticer said DOD has advised them Frank Sullivan's, of the Committee staff, Top Secret clearance has been approved. I told Ticer I would talk further with [REDACTED] Chief Counsel, about the Soviet weapons system briefings he had requested for Sullivan.

3. (Confidential - GLC) Called Chairman Nedzi, House Armed Services Committee, Intelligence Subcommittee, and brought him up-to-date on the information developed by the IG Staff on the material which the DO Division picked up from Senator Goldwater's office in 1964 and passed to the White House. See Memorandum for the Record.

4. (Unclassified - LLM) Called Hilda Schreiber, OMB, concerning the status of S. 2714 (CIA Retirement Act Cost of Living Amendment) and she said that she had handled the enrolled bill and that it was routine and recommended for signature by the President. 14. (Confidential - JGO) Met with Chairman Lucien Nedzi, Intelligence Subcommittee, House Armed Services Committee, and Frank Slatinshek, Chief Counsel. Slatinshek briefed Nedzi on the current situation concerning the exchange of correspondence with Representative Jack Brooks relating to Agency authority for disposal of property and left with him a set of the correspondence plus a copy of the classified OGC memo of law for Nedzi's use in the event of a call from Brooks. Nedzi took the problem in stride. As for possible legislative assistance, Nedzi also feels that this is an area that should be investigated when we get into our legislative package next year. He feels it would be well to get rid of the present ambiguities.

15. (Unclassified - PLC) A letter from the Director to the Director, Office of Management and Budget in response to their request for comments on our Enrolled Bill, S. 2714, amending the cost of living provision in CIARDS was prepared, signed and forwarded.
